Summary

Customer-centric, Full Stack Web Developer ready to meet business needs. Experienced with requirements gathering, QA, and competitive analysis.

Technical Skills

HTML5, CSS3, JavaScript, jQuery, Handlebars.js, React.js, Node.js, Express.js, RESTful API Design, Firebase, MySQL, MongoDB, Salesforce Lightning Design System, Shopify Liquid

Projects

Book Collector

Full Stack

Web App: serene-forest-85354.herokuapp.com - Github: github.com/hoomanfor/book-collector

- Search for books you have read or intend to read. Start a collection by saving search results.
- Built using HTML5, CSS3, React.js, Express.js, Node.js, MongoDB, and the Google Books API

Vonnegut Memory Game

Front End/UI/UX

Website: hoomanfor.github.io/vonnegut-game - Github: github.com/hoomanfor/vonnegut-game

- Test your memory by clicking each Kurt Vonnegut book, once. 'Top Score' can be 12.
- Built using HTML5, CSS3, Node.js, and React.js

Meme Machine

Full Stack

Web App: guarded-gorge-23984.herokuapp.com - Github: github.com/hoomanfor/meme-machine

- Create a personal account to create custom Memes. Save your favorites to your Library.
- Built using HTML5, CSS3, Node.js, Express.js, Handlebars.js, Passport.js, and MySQL

Experience

Lulu Press, Inc.

Business Analyst

January 2019 - Present

- Developed on-boarding guides to help with feature adoption using Pendo, HTML5, CSS3, and JavaScript
- Developed a contextualized Knowledge Base which suggests helpful articles based on which web page the customer is viewing using Pendo, HTML5, CSS3, and JavaScript
- Adapted wireframes and applied Lulu's styling convention into a Salesforce Community 'Help Center' using HTML5, CSS3, JavaScript, and SF's Lightning Design System (i.e. help.lulu.com)
- Adapted Lulu's transactional emails into Shopify Liquid (i.e. Shopify's Templating Language)

Education

University of North Carolina - Chapel Hill, NC - Full Stack Web Development Bootcamp

Shaw University - Raleigh, NC - BA in Mass Communication

Living Arts College - Raleigh, NC - AS in Digital Audio Production and Sound Design
